## Ways to Serve

**Meals for the Moulthrop's:** Jim & Raye Moulthrop have been experiencing extra challenges recently, especially due to a recent fall that Jim had. If you're able to make and take or send a meal, that would be a great blessing. There are a few slots left if you'd like to sign up to bring them a meal [here](#)!

**Pounding the Priest:** If you signed up to bring a food/household item for our curate Michael Mayo, remember to bring it to the church this week so it can be delivered to him!

## News to Know

**COVID Vaccines:** If you're 65+ and are interested in receiving the vaccine to prevent COVID-19, you can register with our county [here](#). If appointments are unavailable in Alachua County, check surrounding counties as you may be vaccinated in any Florida county. Those who are patients of a UF Health doctor can call the UF Health Springhill location at (352) 265-6983 to schedule an appointment.

If you have an event to announce or a way to serve, please email [communications@servantsanglican.org](mailto:communications@servantsanglican.org).
